PROCEEDINGS

The above entitled cause came on regularly for hearing on the above mentioned, before J. Ray E. Bailey, acting Judge, Justice of the Peace in and for number four Township, County of Madura, State of California. The following Proceedings were had and testimony taken. The Court: now this is the case of The People of the State of California against Dona Diehl and Howard Whitfield, the complaint under oath having been filed by Tom Lewis and time set for the defendants to appear appearing to be Tuesday, March 19th at the hour of two o'clock in the afternoon of said day in the Justice's Court of the Fourth Township, in the City of Raymond, Madura, County, California, and the defendants having failed to appear and no report from the Constable showing that an attempt was made to serve the defendants it is ordered by the Court at this time that evidence be taken and that bail be set and in default of bail the defendants be remanded to the custody of the Sheriff. U B Berry being first duly sworn testified as follows: The Court of what is the trouble with these. A. Well I was standing in my store looking out of the window toward Madura - that was the eighth, I believe of the eighth day of March. A. No the right day of February, 1935; I think it was the eighth, what was it from the eighth to the eighteenth - no by golly it was the eighteenth, a month ago today, February 18th. And just what happened? Ans I heard some high powered shooting - two shots at first, and it attracted my attention. Then I heard another shot and saw Tom going around the tree on his horse and I saw some bark fly off the tree close to Tom, and how did you distinguish that she was doing the shooting? A. I didn't know where it was coming from until outside and by that time she and Whitfield came out in sight and each had a gun, of you mean Whitfield and Diehl had rifles A. yes. Q. What was said? A. yes Q. what was said A. she said you black son of a bitch I'll kill you. I think that is all. The Court: It appearing to me a felony has been committed and Dona Diehl and Howard Whitfield are guilty thereof; therefore for the purpose of giving ample protection to Tom Lewis and Norman Berry I order bail at this time to be set at \$1000.00 each and they be committed to the Sheriff of the Co of Madura until they give bail. The warrants be executed by the Constable of the Fourth Township. That is all at this time. Ours
